

## Three-Dimensional Needle Felting

Instructor: Sheila Singhal

Participants will make a three-dimensional needle felted bird or other small figure using wool roving and single barbed needles. Suitable for beginners, as well as those with some needle felting experience - experienced needle felters will have time to produce more detailed creations.

Roving, foam pad, needle and instructions will be supplied.

Materials fee: \$8.00

1 workshop a.m.

1 workshop p.m

Bio: Sheila Singhal is President of the West Carleton Fibre Guild, and author of the Elephant a Day blog, in which she made an elephant each day for a year, using a different technique each time. She is also an experienced needle felter, who has sold her creations at shows and online.

*The following are only samples of Sheilas work and want be done in the workshop.*
